

JENNIFER J. ANDERSON

~~XXXXXXXXXXXXXXXXXXXX~~
~~XXXXXXXXXXXXXXXXXXXX~~
~~XXXXXXXXXXXXXXXXXXXX~~

EDUCATION:

Ph.D. Mathematics, Boston University, 1980
MSc Statistics, Otago University, New Zealand, 1967
BSc Hons Mathematics, Otago University, New Zealand, 1965

RESEARCH AND TEACHING POSITIONS:

1995- Research Professor of Medicine and Public Health (Epidemiology and Biostatistics)
Boston University School of Medicine
1995- Senior Statistician, HSR&D Field Program, Veterans Administration Medical Center,
Bedford, Mass.
1987-1995 Associate Research Professor of Medicine (Biostatistics) and of Public Health
(Epidemiology and Biostatistics) Boston University
1984 Visiting Assistant Professor, Department of Biostatistics, Harvard School of Public Health
(on leave from Boston University under the National Science Foundation Visiting
Professorships for Women Program)
1983-1995 Statistician, Health Services/Epidemiology Research Unit, Arthritis Section, Boston
University
1981-1987 Assistant Research Professor (Biostatistics), Department of Medicine, Boston University
1981-1982 Statistician, The Health Data Institute, Newton, Massachusetts
1980-1983 Senior Statistician, Health Care Research Unit, General Internal Medicine Section, Boston
University
1979 Lecturer in Statistics, Northeastern University
1975-1979 Teaching Fellowships in Statistics, Boston University
1977 Statistician, Health Care Research, Boston University
1975 Research Analyst, Department of Neurology, Massachusetts General Hospital
1972-1974 Assistant Statistician, Department of Medical Genetics, Indiana University
1966-1968 Assistant Lecturer in Statistics, Otago University, New Zealand

FELLOWSHIPS AND HONORS:

1976-1977 Multidisciplinary Fellowship in Health Services Research and Policy (Milbank Program),
Boston University
1961 R.J.T. Bell Prize for Mathematics, Otago University

Anderson/2
